## EXPERIENCE

### VIDEO EDITOR

#### GDSC (GOOGLE DEVELOPER STUDENT CLUB)

- Working as a video editor in GDSC KIIT since November 2021. Developed and managed storyboards, post production editings and final delivery formats.
- Edited couple of videos for the society which are available in social media platforms.
- Assembled various amounts of footage into seamless end product.

### STARTUP GRIND

- Got my hands on graphics designing working as a video editor.
- Explored the visual means for communication and my love for graphics not only in videos but also in other formats as a graphic designer

### GRAPHIC DESIGNING: SCHOOL LEVEL

- Made brochure for the interschool event in which more than 20 schools participated.
- Led the designing team in delivering of the project, used coordination and planning skills to achieve the results and successful completion.

### CONTENT (TECHNICAL) WRITER

#### GDSC (GOOGLE DEVELOPER STUDENT CLUB)

- Work experience in content writing, wrote blogs, threads for Twitter and captions for the society.
- Handled the social media platform of the society.
- Worked with seniors who helped me in and out to explore new fields of technology.

### KIIT DIGITAL MEDIA

- Currently working as an intern in the KIIT Digital media that is the official social media of KIIT university. Learning, experiencing, exploring and expanding my knowledge with amazing seniors and admins.
